MITSUBISHI CORPORATION DECIDES TO DISSOLVE AND LIQUIDATE A SUBSIDIARY

Mitsubishi Corporation (MC) has decided to dissolve and liquidate the following subsidiary.

1. Overview of the Company to Be Dissolved

Name:	MLFC Corporation
Location:	New York, New York, U.S.A.
Representative:	Masakazu Sakakida, President
Business:	Development of coal reforming technology
Established:	January 6, 1999
Capital:	US\$1,532,500
Shareholder:	Mitsubishi Corporation (100%)
Fiscal year-end:	December

2. Reason for Dissolution and Liquidation

MC has decided to dissolve and liquidate MLFC Corporation after the completion of the company's development work.

3. Schedule

Completion of liquidation: June 2008

4. Impact on MC's Operating Results

The liquidation of the aforementioned subsidiary will have only a negligible effect on Mitsubishi Corporation's non-consolidated and consolidated (U.S. GAAP) operating results.
