

## **MITSUBISHI CORPORATION FOUNDATION SUPPORTS REGENERATIVE AGRICULTURE, INDIGENOUS PEOPLES RIGHTS, AND ENVIRONMENTAL EDUCATION**

NEW YORK (July 7, 2023) – Mitsubishi Corporation Foundation for the Americas is currently supporting the following organizations:

[Solidaridad Network](#) to support smallholder coffee farmers in Mexico in developing regenerative agricultural practices and gaining access to high-value voluntary carbon markets;

[Equitable Origin](#), for the promotion of the [Center for Strengthening the Rights of Indigenous Peoples](#), an online resource aimed at supporting Indigenous Peoples in asserting their rights and interests in the context of natural resource development; and

[Earth Rangers](#) for the expansion of the Earth Rangers kids-focused environmental education program from Canada to the United States.

[CDP](#), to expand its [Matchmaker platform](#) to Chilean cities to help grow the capacity of cities to advance sustainable, equitable urban infrastructure;

[Fair Trade USA](#), to develop geospatial farm analysis and coaching systems to enable mapping of environmental impacts such as deforestation and carbon capture on Fair Trade Certified farms across the Americas;

Earth Rangers school assembly.

[Forest Trends](#), to address water security issues in Moquegua, Peru through capacity building for natural infrastructure restoration solutions in local communities;

[The Nature Conservancy](#), to engage with emerging technology companies developing sensor-based technologies to monitor conditions for conservation needs in US coastal regions; and

[Yellowstone to Yukon Conservation Initiative \(Y2Y\)](#), to support First Nations-led caribou conservation in British Columbia, Canada.

MCFA’s mission encompasses biodiversity conservation, environmental education, environmental justice and sustainable development, and it is one of several means through which [Mitsubishi Corporation](#) is working to generate societal and environmental value.

The [Mitsubishi Corporation Foundation for the Americas](#), based in New York City, was established 1991 with funding from Mitsubishi Corporation of Japan, and its U.S.-based subsidiary, Mitsubishi International Corporation. MCFA is currently supported by Mitsubishi Corporation and Mitsubishi Corporation (Americas). Since its establishment, MCFA has dedicated over \$13 million to environmental causes throughout the Americas.

[Mitsubishi Corporation \(MC\)](#) is a global integrated business enterprise that develops and operates businesses together with its offices and subsidiaries worldwide, as well as with its global network of around 1,700 group companies. MC's current activities have expanded far beyond its traditional trading operations to include project development, production and manufacturing operations, working in collaboration with our trusted partners around the globe. MC provides philanthropic contributions through a variety of channels, including donations to the MCFA and its sister charity the Mitsubishi Corporation Fund for Europe and Africa (MCFEA).
