Mitsubishi Corporation

Introduction

Mitsubishi Corporation (MC) is a global integrated business enterprise that develops and operates businesses together with its global network of around 1,300 group companies.

MC has eight Business Groups that operate across virtually every industry: Environmental Energy, Materials Solution, Mineral Resources, Urban Development & Infrastructure, Mobility, Food Industry, Smart-Life Creation and Power Solution. Through these eight Business Groups, MC's current activities have expanded far beyond its traditional trading operations to include project development, production and manufacturing operations, working in collaboration with our trusted partners around the globe.

With an unwavering commitment to conducting business with integrity and fairness, MC remains fully dedicated to growing its businesses while contributing to a prosperous society.
