Mitsubishi Corporation

Introduction

Mitsubishi Corporation (MC) is a global integrated business enterprise that develops and operates businesses with MC's offices and subsidiaries in 90 countries and regions and approximately 1,400 group companies around the world.

MC has 10 Business Groups that operate across virtually every industry. These include natural gas, industrial materials, petroleum & chemicals, mineral resources, industrial infrastructure, automotive & mobility, food industry, consumer industry, power solution, and urban development. Through its 10 Business Groups, MC's current activities have expanded far beyond its traditional trading operations to include collaborating with partners around the world and getting actively involved in development, production, and manufacturing operations in the frontlines.

MC remains fully dedicated to growing its businesses and aims to help enrich society while adhering to its principle of conducting business with integrity and fairness.
