Planning, Development and Provision of Services and Solutions Utilizing AI and Digital Technologies (Japan)

MCD3 Inc.

Provides One-Stop Solutions that Cover Everything from Business Conceptualization to Service Delivery

As AI becomes more prevalent and digitalization advances in various fields, our world is expected to become increasingly complex. MCD3 Inc., a wholly owned subsidiary of MC, aims to maximize customer value while striving to address societal challenges. The company's integrated operating model interconnects elements of design, digital technology, and data, spanning everything from business conceptualization to service delivery.

Convenience Store Business (Japan)

Lawson, Inc.

Convenience Store Evolution Driven by Community and Customer Needs

By promising to deliver outstanding good taste and kindness to everyone and their local communities, Lawson aspires to become a convenience store that puts a smile on its customers' faces and allows everyone to feel at ease. Lawson strives to quickly grasp the challenges faced by society and the increasingly diversifying needs of consumers to swiftly drive innovation and enhance its products and services.

Hospital Management Solutions,
Medication & Medical Equipment (Japan)

MC Healthcare Holdings Ltd.

**Serving as a Partner in Hospital Management
to Support the Frontlines of Healthcare**

There are many challenges faced by the Japanese healthcare sector, such as the country's aging society and the associated increase in medical spending. MC Healthcare, Inc.'s main business activities include solutions for the management/procurement of medical supplies and medication, group purchasing services and medical equipment bulk procurement/maintenance services. Through its activities, MC Healthcare, Inc. helps to streamline daily hospital operations so that frontline healthcare workers can spend more time providing care for their patients. The company also imports and sells advanced medical devices through MC Medical, Inc.

Smart-Life Creation Group

The Smart-Life Creation (S.L.C.) Group is committed to creating a more prosperous society by enhancing consumer lifestyles through the concept of "smart-life." S.L.C. is launching a variety of C2B* businesses that address societal challenges and consumer needs across the globe, while seamlessly integrating them with B2B businesses such as finance, digital, and logistics.

* In MC, we develop our growth strategies starting from consumer needs under the belief that it is the consumers who hold the power of choice in today's society with full of goods and services. To emphasize the importance of addressing consumer needs through a 'market-in' perspective, we deliberately define and refer to our so-called 'B2C' business as 'C2B' business.
