Subsequently, given that the Offeror plans to file, on June 18, 2025, its Annual Securities Report for the fiscal year 2024 (from April 1, 2024, to March 31, 2025) and the Target Company plans to file, on June 24, 2025, Annual Securities Report for the same fiscal year, each with the Director-General of the Kanto Local Finance Bureau, and that, in conjunction with each of such filings, the Offeror is required to file an Amendment to the Tender Offer Registration Statement, and accordingly, the Offeror extended, on June 12, 2025, the tender offer period until July 8, 2025, which is the date on which 10 business days will have passed from June 24, 2025, the scheduled filing date of the Amendment to the Tender Offer Registration Statement, due to the filing of the Annual Securities Report for the fiscal year 2024 of the Target Company, resulting in a total of 43 business days, in order to ensure in advance such a tender offer period as is required under the respective provisions of the main clauses of Article 27-8, Paragraph 8 of the Act, and of Article 22, Paragraph 2 of the TOB Order.

2. Outline of the Tender Offer

(2) Schedule, etc.

(II) Initially Registered Offering Period

(Before Amendment)

From May 9, 2025 (Friday) to June 19, 2025 (Thursday) (30 business days)

(After Amendment)

From May 9, 2025 (Friday) to July 8, 2025 (Tuesday) (43 business days)

(4) Basis for the Valuation of the Price of the Tender Offer

(II) Background of Valuation

(Measures to Ensure Fairness of the Tender Offer, Including Measures to Ensure Fairness of the Tender Offer Price and Measures to Avoid Conflicts of Interest)

- (x) Measures to Ensure that the Target Company's Shareholders have the Opportunity to Appropriately Decide Whether or not to Tender in the Tender Offer

(Before Amendment)

As described in “(4) Policies for Organizational Restructuring, Etc. after the Tender Offer (Matters Relating to So-Called Two-Step Acquisition)” in “1. Purpose of the Tender Offer” above, as regards the Squeeze-Out Procedures, the Offeror plans to adopt a method of ultimately delivering money to the Target Company's shareholders who do not tender their shares in the Tender Offer (excluding the Offeror and the Target Company). In that case, the amount of money paid to each such shareholder of the Target Company will be calculated so as to be equal to the Tender Offer Price multiplied by the number of the Target Company Shares held by such Target Company's shareholders. Thus, the Offeror has ensured that the Target Company's shareholders have the opportunity to appropriately decide whether or not to tender their shares in the Tender Offer, thereby giving consideration so as not to cause coercion. In addition, while the minimum period for a tender offer as prescribed by laws and regulations is 20 business days, the Offeror has set the Tender Offer Period at 30 business days. By setting the Tender Offer Period at longer than the minimum period required by laws and regulations, the Offeror ensures that the Target Company's shareholders have the opportunity to carefully consider the merits and demerits of the Transactions and the appropriateness of the Tender Offer Price and to appropriately decide whether to tender their shares in the Tender Offer.
