August 27, 2025

Mitsubishi Corporation

Notice Regarding Reports in the Media (2)

There have been certain reports regarding that we are in the process of withdrawing from our Japanese offshore wind power generation projects* developed by our subsidiary, Mitsubishi Corporation Offshore Wind Ltd., as a representative company, in some news media. We are currently considering all options including the withdrawal from the projects, however, there is no decision has been made at this point.

* Projects in three Japanese sea areas (1) Noshiro City, Mitane Town and Oga City (Akita Prefecture), (2) Yurihonjo City (Akita Prefecture) and (3) Choshi City (Chiba Prefecture).
