a subsidiary of  Mitsubishi Corporation

## President's Message

Dear Valued Customers and Partners,

IVICT (Thailand) Company Limited ("IVICT Thailand") was established as a spin-off entity from Mitsubishi Company (Thailand) Ltd. and Thai-MC Company Limited (collectively called "MC-Thai"). IVICT Thailand possesses dynamic agility born by a new management structure specialized in the chemical industries.

This spin-off was executed under a strategic realignment of Mitsubishi Corporation's global chemicals business. MC-Thai has transferred the business of its chemicals division to IVICT Thailand on October 1, 2018.

IVICT Thailand's commitment will extend from Thailand to the Greater Mekong Sub-region and surrounding markets in ASEAN. We are pleased to contribute to a better future for society the IVICT way, that is, Industrial Value Innovation by Chemistry for Tomorrow, in collaboration with our valued customers and partners.

We look forward to continuing our business relationship going forward.

Thank you for your continued support.

**Yukihiro KABURAKI**
