Sir,

**CONFIRMATION OF THE TREE PLANTING ACTIVITIES AT GUNUNG APENG FOREST RESERVE**

The Forest Department of Sarawak would like to inform you that under the tree planting project for **Mitsubishi Corporation** conducted by the Japan-Malaysia Association, a total area of 221.8 Ha. (88,720 seedlings) have been planted at Gunung Apeng Forest Reserve since November 2008 - 30 August 2011. The following species were planted during the duration of the project;

1. Kapur Bukit
2. Engkabang Jantong
3. Meranti Sarang Punai
4. Durian
5. Rambutan
6. Cempedak
7. Selangan Batu

2. " 51 of the trees included in the above figures were planted in March, 2011 as the "Virtual Planting" prize for the touch panel quiz offered at Mitsubishi Corporation's booth at the Interactive Fair for Biodiversity, held in Nagoya in October, 2010. "

3. Thank you very much for your co-operation towards the success of the tree planting activities and we look forward to your continuous support in future.

Thank you.
